HONOURING OUR LEGACY

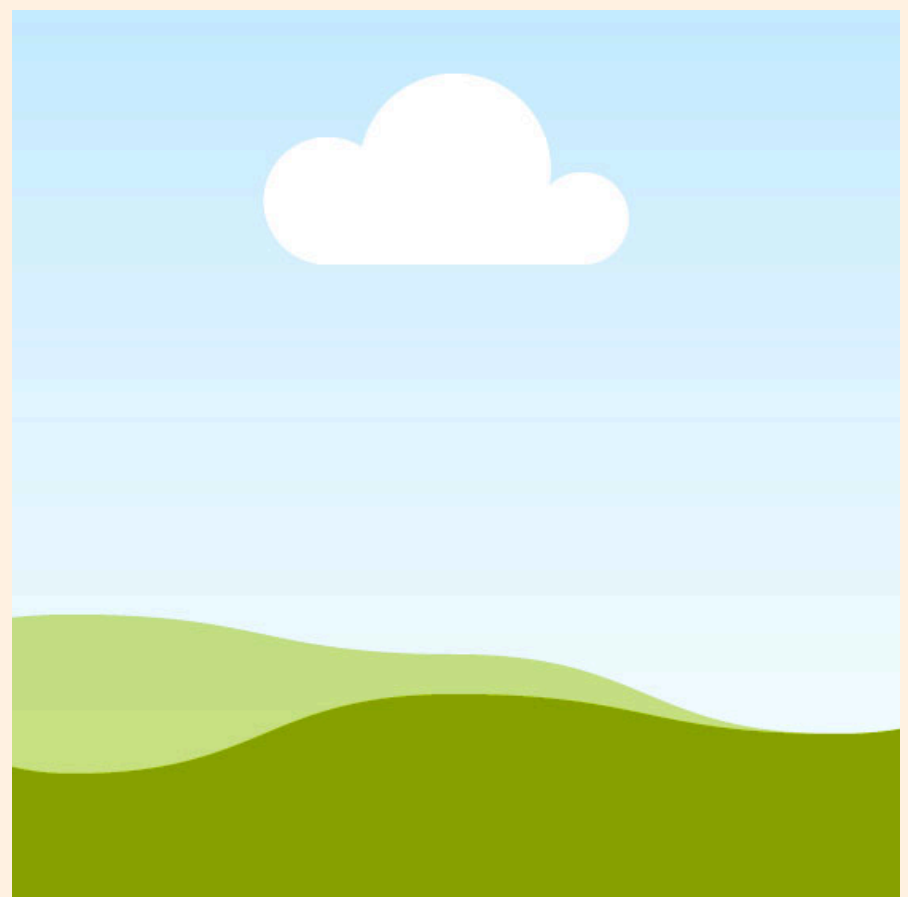

FOUNDER'S DAY: A RESOUNDING SUCCESS

By the Campus Reporter • Cambridge Road

The Frank Anthony Public School, Bengaluru, commemorated Founder's Day with great solemnity, pageantry, and cultural flair, paying homage to the enduring ideals of its founder, Mr. Frank Anthony.

The occasion was graced by Chief Guest Ms. Margaretta Eastwood and Guest of Honour Mrs. Charmaine Fanthome Jaggi, alongside special invitee Mr. Kim Noble (Governing Body Member and Principal of Tunbridge High School) and Mrs. Jean, Headmistress of The Frank Anthony Junior School (FAJS), who joined the school heads on the dais.

The celebrations commenced on an auspicious note with a graceful invocation dance symbolizing the

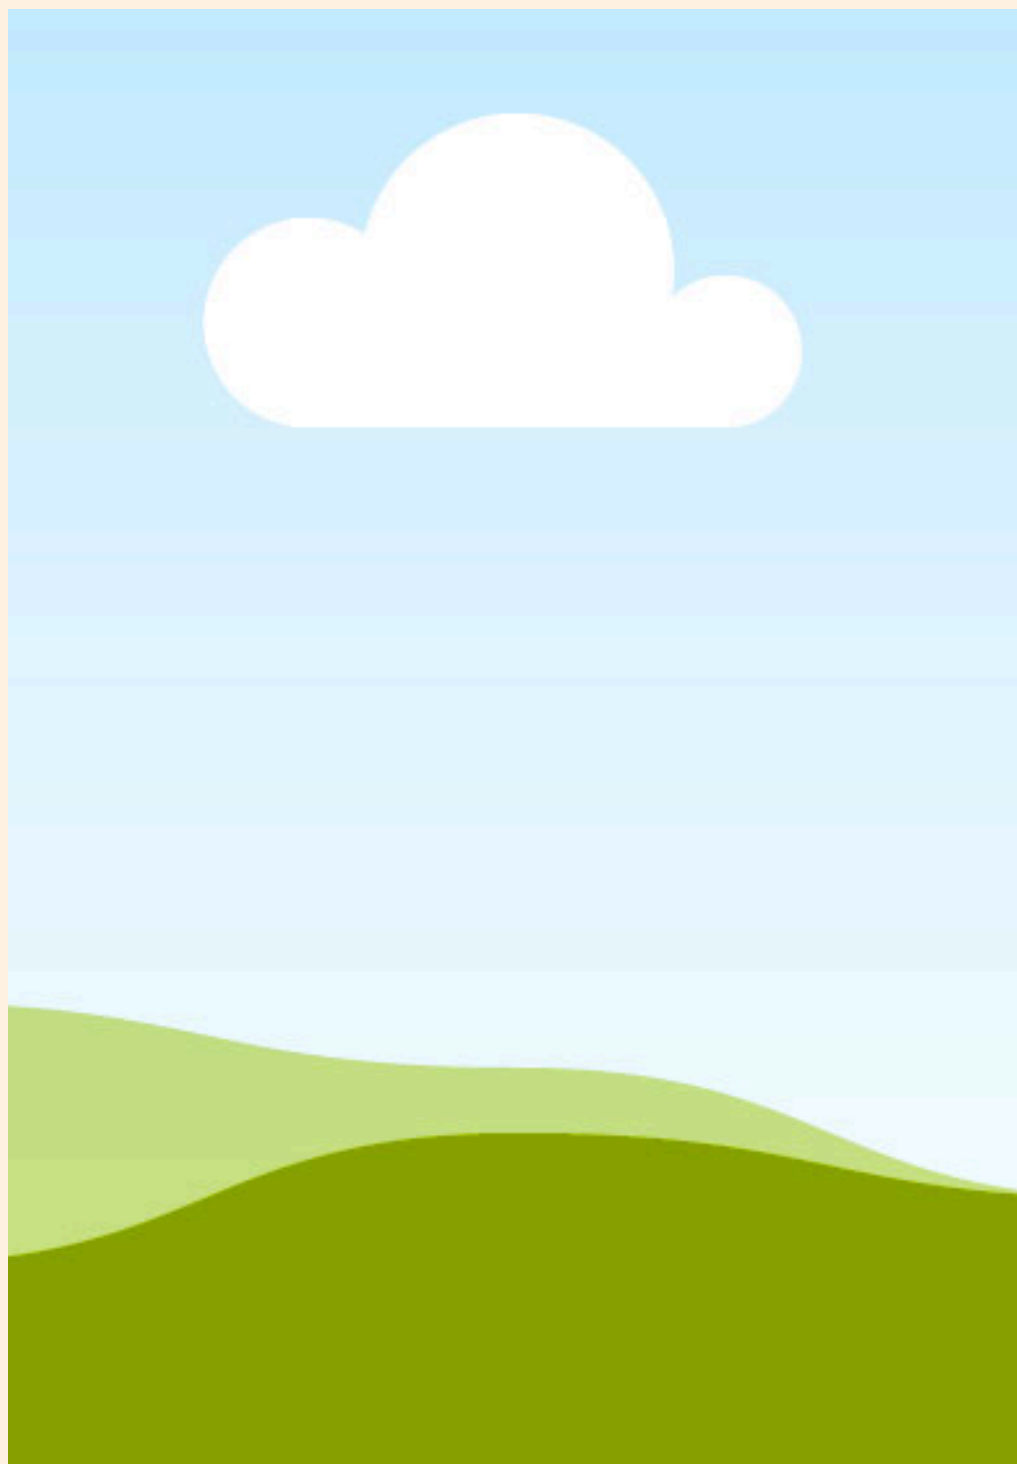

blossoming of flowers. Highlighting the creative breadth of the student body, the junior section followed with a spirited freestyle Western performance—drawing applause with an energetic Michael Jackson-inspired sequence—before the senior school

took the stage with a poised and intricate European tango. The Junior School Choir then led the gathering in song, rendering a stirring performance of “We Shall Overcome” alongside choral selections that resonated across the auditorium.

Addressing the assembly, the Vice-Principal delivered a reflective commemorative address focused on Mr. Frank Anthony’s core philosophy: that true education must nurture the holistic development of the individual rather than solely fixating on academic marks. Elucidating the founding motto, “Courage is Destiny,” he urged students to carry resilience, ethical character, and independent thought into every arena of life.

Following a formal Vote of Thanks acknowledging the dignitaries, visiting heads, faculty, and student coordinators, the commemorative assembly drew to an inspiring close.

MORAL BACKBONE TO SPEAK
TRUTH AND UPHOLD

FAPS PREPARES FOR ITS FIRST “QUAD-FAPS” MEET

Frank Anthony Public School in Bangalore is abuzz with excitement as the campus gears up for the Quad-FAPS Athletic meet. The inter-school meet celebrates athletic prowess and camaraderie while also being indicative of sporting excellence and pride among institutions involved.

The enthusiasm is palpable right from early morning training sessions where aspiring athletes work hard in the misty Bangalore weather, right up until the evening when the athletes engage in their intensive drills. As sprinters practice their starts, middle-distance runners work hard at their endurance levels, and relay teams practice baton exchanges so as to minimize their times, jumpers and throwers train tirelessly with their coaches watching over their technique.

Apart from the track, activity is on in full swing on the campus. Every athlete works hard with a view to making their institution proud and living up to the school's motto, "Courage is Destiny."

SPORTS

Indian Cricket Dominates the Stage

Indian cricket continues to excel globally across both senior and youth levels. The India Women's National Cricket Team secured a historic gold medal at the Asian Games 2026, dominating Sri Lanka in the final behind Smriti Mandhana's brilliant 79-run knock.

Meanwhile, the India Under-19 team clinched a thrilling series victory over Australia in Rajkot, highlighting a bright future for the men's youth setup.

Fans can now look forward to more action as the men's senior team begins a home bilateral series against the West Indies on September 27, 2026.

New Beginnings: Indian Football Takes Center Stage

The Indian men's national football team is bracing for a massive international testing ground as domestic league excitement reaches a fever pitch. Head coach Khalid Jamil leads the Blue Tigers into a highly anticipated international friendly against World Cup participants Panama on September 25, 2026, at Bengaluru's Sree Kanteerava Stadium.

This clash serves as the opening act of a rare, high-profile autumn window where India will also test their mettle against South American footballing giants Brazil and Uruguay in Kolkata.

Meanwhile, fans are gearing up for domestic action as organizers officially announced that the 13th edition of the Indian Super League (ISL) 2026-27 will return to its traditional home-and-away format, kicking off on October 10, 2026.

OPENAI INTRODUCES INTERACTIVE "STUDY MODE" FOR STUDENTS

OpenAI recently launched a dedicated "Study Mode" feature for ChatGPT, designed to help students learn step-by-step rather than just providing immediate answers. This update changes the chatbot from a quick answer generator into an interactive, digital tutor. Instead of doing the work for you, the tool asks guiding questions, breaks down complex problems into smaller parts, and encourages critical thinking. For students, this represents a major shift in how technology can be used for homework and exam preparation—moving away from shortcuts and focusing instead on helping you actually understand the material.

The system works by using a teaching method known as Socratic questioning, meaning it responds with helpful hints and prompts that lead you to the solution on your own. It is also designed to be highly adaptive; the AI can adjust its explanations to fit a specific grade level or subject.

FIRST EXOPLANET RADIO SIGNALS CAPTURED

Astronomers have achieved a major breakthrough by capturing the first-ever direct radio signals from a planet outside our solar system, a massive gas giant named Beta Pictoris b located 63 light-years away. While deep-space radio bursts often spark dreams of alien civilizations, scientists confirmed these signals are entirely natural. They are powered by colossal planetary auroras—similar to Earth's Northern Lights but on a giant scale—driven by an intense magnetic field that is roughly 2,500 times stronger than Earth's.

Even though the signal isn't an extraterrestrial message, this discovery is a massive leap forward in the ultimate search for real alien life. On Earth, our magnetic field acts like an invisible shield, protecting us from deadly cosmic radiation so life can thrive. By learning how to tune into these planetary radio signatures, astronomers now have a revolutionary blueprint to scan distant, rocky worlds and determine if they possess the protective magnetic shields necessary to harbor alien life.

STUDENTS' VOICE

ARE PREFECTS & HOUSE CAPTAINS ACTUALLY USEFUL IN RUNNING THE SCHOOL?

“THEY TAKE ALL OUR TENNIS BALLS AND ALL OUR FOOTBALLS WHEN WE GET OUT THERE AND THEY WON'T GIVE THEM BACK! THEY KEEP ON TAKING THEM TO THE VP'S OFFICE AND WON'T RETURN THEM. HOW CAN THEY IMPROVE? BY **GIVING THE BALL BACK** AFTER BREAK, AND GIVING US SPECIFIC SPOTS AND SPECIFIC DATES TO PLAY FOOTBALL AND CRICKET!”

-ANONYMOUS (CLASS VII C)

“YES, BECAUSE **THEY HELP ORIENT A LOT OF STUFF** WHICH HAPPENS IN SCHOOL, LIKE TEACHERS DAY PROGRAMS AND ALL THE OTHER PROGRAMS. SO YES, THEY ARE VERY USEFUL. THAT'S WHY THERE SHOULD BE CAMPAIGNS THAT ARE ABLE TO DO BEFORE THE ELECTIONS WHICH WILL MAKE THE ELECTIONS FAIR. **THEY CAN IMPROVE BY INTERACTING WITH THE STUDENTS MORE.**”

-DAKSH A.K. (CLASS IX C)

“I WILL BE CRUCIALLY HONEST, THE INTELLIGENT BODY, I THINK **I WOULD SEE THE SAME WITHOUT IT.** RATHER THE VICE PRINCIPAL WOULD BE MUCH OF A BETTER AUTHORITY, HE CAN HAVE AN ENTIRE BODY UNDER HIS COMMAND. IF THE COMMON STUDENTS VOTE HEADS IN, THE **VOTING WOULD BE COMPLETELY BIASED.** I THINK PUTTING THE APPOINTING OF A HEAD IN THE HANDS OF A HIGHER AUTHORITY LIKE THE PRINCIPAL IS A MUCH MORE LOGICAL THING.”

-ANONYMOUS - CLASS X C

“**UP TO 85% OF THEM ARE NOT UP TO THE MARK**, THOUGH THE REST OF THEM ARE REALLY GOOD. IF WE EVER GET A CHANCE TO ELECT PEOPLE TO REPRESENT OUR HOUSES, I AM TELLING YOU IT WILL BE A CATASTROPHIC EVENT BECAUSE STUDENTS WILL CHOOSE SOMEONE WHO IS POPULAR AND WELL BUILT, BUT BRINGS VERY LITTLE TO THE TABLE. THE SCHOOL ADMINISTRATION **SHOULD TEST EACH HOUSE CAPTAIN**—PERSONALLY PUT THEM UNDER PRESSURE AND GIVE THEM QUESTIONS REGARDING HOW THEY TAKE CARE OF THE HOUSE.”

-KANDHAN K. L. (CLASS X B)

“I FEEL LIKE THE HEAD BOYS AND THE HEAD CAPTAINS AND THE HOUSE CAPTAINS OF OUR SCHOOL **DO NOT REALLY DO ANYTHING IN OUR SCHOOL**. THEY MAKE NO DIFFERENCE AS THE STUDENTS CAN HANDLE THEMSELVES AND OUR STUDENT BODY IS DISCIPLINED ENOUGH. IF YOU PUT IT TO A VOTE, **PUPILS WILL JUST CHOOSE THE POPULAR PEOPLE** RATHER THAN WHO HAS ACTUAL LEADERSHIP QUALITIES.”

-ARYAN NANDA - CLASS IX C

“ALL PREFECTS, OUR HEAD BOYS OR HEAD GIRLS, THEY ARE ALL IN 12TH OR AT LEAST IN 11TH THE INTERIM PERIOD. THAT MEANS THAT THEY HAVE THEIR OWN WORK TO DO, THEIR OWN STUFF TO CATCH UP. BUT IF THEY ARE BEING APPOINTED FOR A ROLE LIKE THIS, THAT MEANS THAT **THEY SHOULD BE UP TO THE MARK** TO WHERE THEY CAN DO THEIR WORK AND THEY CAN MAINTAIN THE WORK THAT THEY HAVE BEEN TASKED TO DO. I THINK THAT THE PREFECTS ARE FINE AS THEY ARE, BUT IN MY OPINION THE HOUSE CAPTAINS **DEFINITELY SHOULD BE ELECTED**.”

-ANONYMOUS (CLASS X A)

"UNFORTUNATELY, IT IS A RULE—**YOU REALLY CAN'T BE PLAYING WITH TENNIS BALLS, FOIL SPHERES, OR BOTTLES**, SO WE HAVE TO CONFISCATE THEM. ABOUT THE ADMINISTRATION, I DO BELIEVE **SOME JUNIOR PREFECTS ARE SLIGHTLY LAZY** AND THE WORK GETS PILED ONTO US, BUT OVERALL WE HAVE SOLID TEAMWORK.

AS FOR LINING UP AGAINST THE WALL AFTER BREAK, YOU DO NEED TO MAINTAIN DISCIPLINE WHILE CLIMBING THE STAIRS OR MOVING IN CORRIDORS, BECAUSE THAT IS WHERE THINGS GET MOST CHAOTIC."

-ADAM STEPHEN ANTHONY (CLASS 12, VICE HEAD BOY)

"REGARDLESS OF STUDENT OPINIONS, WE TRY TO WORK FOR THE SCHOOL AND ITS BETTERMENT, AND **WE ARE DOING A PRETTY GOOD JOB** CONSIDERING THE DEADLINES AND HECTIC SCHEDULE OF THE CALENDAR. BALANCING THIS ROLE WITH ACADEMICS HAS GOTTEN HARDER, BUT IT IS DOABLE. AS FOR MAKING STUDENTS STAND IN LINE AGAINST THE WALL AFTER BREAK, WE ARE **SIMPLY EXECUTING THE DIRECTIVES GIVEN TO US** BY HIGHER AUTHORITIES LIKE THE VICE-PRINCIPAL AND TEACHERS."

-VISMAY (CLASS 12, D'MELLO HOUSE CAPTAIN).

"FIRSTLY, WE ARE NOT THE ADMINISTRATIVE BODY—OUR ROLE IS THE PREFECT BODY. BASICALLY, **WHATEVER [BEEP] YOU ALL DO IN SCHOOL, WHO DO YOU THINK MANAGES ALL THAT?** THE WHOLE REASON EVENTS LIKE MARCH PAST OR SPORTS FUNCTIONS ARE POSSIBLE IS BECAUSE WE COORDINATE EVERYTHING AND GET STUFF DONE. AT THE END OF THE DAY, PREFECTS AREN'T MORAL POLICE; *THEY ARE STUDENTS IN THEIR FINAL YEAR WHO WANT TO HAVE FUN WITHOUT DISRUPTING DECORUM.*

AS FOR LINING UP BY THE WALL, YOU CAN'T TREAT A SIXTH GRADER AND A TENTH GRADER THE SAME—AT TIMES SIXTH GRADERS ARE MORE DISCIPLINED. WITHOUT LINES, EVERYONE WOULD RUSH UP THE STAIRS, LEADING TO CHAOS AND ACCIDENTS LIKE WE'VE HAD BEFORE.

AND REGARDING THE PENDING TREAT FOR THE DEBATE AND QUIZ TEAM: TREATING AN ENTIRE CONTINGENT REQUIRES SERIOUS PERSONAL FUNDS, AND I'M NOT A WORKING PROFESSIONAL YET! I'VE BEEN SAVING UP, AND ONCE I HAVE ENOUGH FUNDS, **YOU WILL GET YOUR TREAT BY THE END OF THE YEAR**—THAT'S AN ON-RECORD PROMISE."

-HISHAM (CLASS 12, HEAD BOY).

Riddles and Quotes

1. “Who Am I” of the Week:

I am always in front of you but can never be seen. Who am I?

2. You Be The Detective:

A man was found dead in his study. He was slumped over his desk and a gun was in his hand. There was a cassette recorder on his desk. When the police entered the room and pressed the play button on the tape recorder they heard: “I can’t go on. I have nothing to live for.” Then there was the sound of a gunshot. How did the detective immediately know that the man had been murdered and it wasn’t a suicide?
