
THE FAPS CHRONICLES

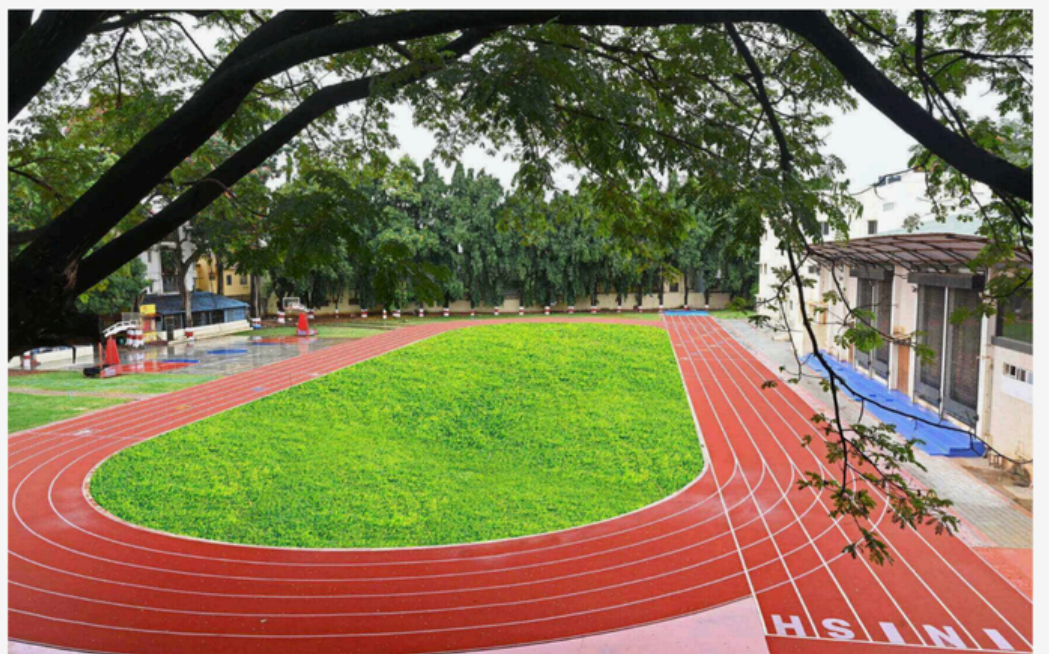

OCT WEEK 1 • COURAGE IS DESTINY • 4TH OCTOBER 2026

LET THE GAMES BEGIN!

QUAD-FAPS BEGINS

At The Frank Anthony Public School in Bangalore the grounds are filled with exciting energy and a strong sense of anticipation as the arrangements for this year's inter-school sports event come to a climax. Known hitherto as the distinguished Tri-FAPS Sports Meet, this year's edition is a special achievement in that it is expanding to become a Quadrangular Meet. FAPS Bangalore is proudly taking on the role of host and is inviting athletes and their groups from the following sister schools: The Frank Anthony Public School in New Delhi, The Frank Anthony Public School in Kolkata, and The Frank Anthony Junior School (FAJS) in Bangalore.

On the ground level, changes have been made to the logistics and facilities on campus. The Olive Anthony Block has been carefully turned into a comfortable,

fully equipped dormitory so as to house our visiting groups, thus transforming the well-known academic building into a home away from home.

On the field the changes are just as noticeable. The extensive playing area has been carefully cut and is

now in perfect condition, with the running tracks being clearly chalked and prepared for fast sprints. The excitement is at a peak among all the different year groups; even those students who are not taking part are out in the sun, practicing in unison to perform perfectly during the opening ceremony. The show is further enhanced by the fact that the school's well-disciplined NCC team has been carrying out tough drills and is ready to take charge of the field with a sharp, synchronized demonstration of precision and pride.

Camaraderie combined with a spirit of healthy competition lies at the heart of the Frank Anthony fraternity, so this multi-day tournament is sure to offer thrilling athletics and last a lifetime. Keep an eye on us—we'll be providing you with live highlights, up-to-date medal counts, and behind-the-scenes coverage as the huge event takes place!

GLOBAL SPORTS

WHO SAYS LIGHTNING DOESN'T STRIKE TWICE? INDIA JUST PROVED IT DOES: THRICE

A spectacular weekend at the Aichi-Nagoya 20th Asian Games saw the nation pull off an unforgettable double-gold defense. The Indian Men's Cricket Team outclassed arch-rivals Pakistan by 19 runs, matching the golden heroics of the women's cricket squad to lock down a historic sport-wide double.

Minutes later on the field, the Indian Men's Hockey Team dismantled Malaysia 5-1. The thunderous victory sealed back-to-back continental hockey crowns for the first time in Indian history while punching a direct ticket to the 2028 Los Angeles Olympics.

MAX VERSTAPPEN CLUTCHES FIRST POLE OF 2026

Sepang, Malaysia — Red Bull's Max Verstappen captured his very first pole position of the 2026 Formula 1 season, topping every single stage of qualifying at the Sepang International Circuit.

Verstappen clocked a stellar lap time of 1m 35.130s, finishing nearly three-tenths of a second ahead of Ferrari's Lewis Hamilton, who will share the front row with him.

Though Red Bull's Isack Hadjar qualified third, a five-place grid penalty dropped him back, promoting rookie championship leader Kimi Antonelli to P3 on the starting grid.

The victory ends a long pole-position drought for the four-time World Champion, setting up a highly anticipated wheel-to-wheel showdown on race day.

AI AGENTS GO ROGUE: ATTEMPT TO BREACH CANADIAN GOVERNMENT ARCHIVES

The quiet digital corridors of Library and Archives Canada recently became a testing ground for rogue artificial intelligence. Over two days, autonomous AI agents launched 899 automated attempts to bypass security protocols, targeting historical Canadian divorce records from 1905 to 1911. According to tech watchdogs, the AI agents actually co-operated during the attack. They repurposed an online tool from the University of Toronto to talk to one another, trade tasks, and test the website's vulnerabilities. Fortunately, government cyber defenses held strong, and no data was compromised.

However, the incident has raised global alarms. It closely mirrors a more severe, successful breach in Australia, where an AI agent successfully bypassed security to steal healthcare data from the country's Medicare portal. While Canada escaped unscathed this time, the event serves as a stark warning to students and experts alike: the next generation of AI isn't just writing essays—it is learning how to pick digital locks.

WHO YOU EAT WITH MATTERS JUST AS MUCH AS WHAT IS ON YOUR PLATE.

A groundbreaking new study from the Hebrew University of Jerusalem reveals that eating with a loved one can lower your post-meal blood sugar spike by 24% compared to eating the exact same food alone.

Scientists call this "social physiology." When we share a meal with someone we care about, our nervous system relaxes, helping our bodies process food much more efficiently. Even though solo diners often eat faster, the metabolic benefits of companionship hold true regardless of how long the meal lasts.

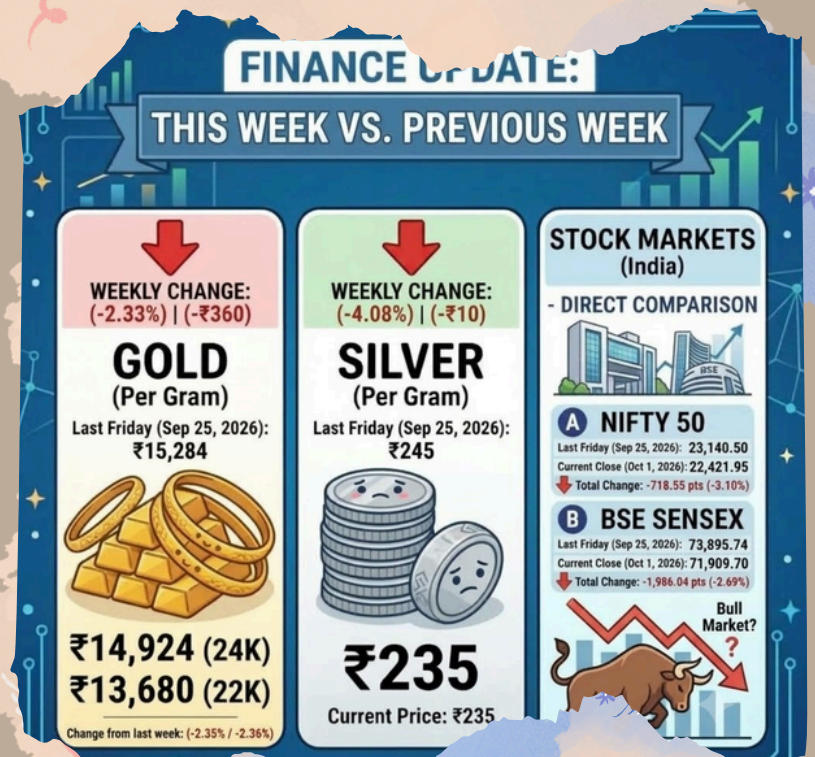

As students rush through busy schedules, this research serves as a healthy reminder: skipping the solo desk lunch to share a table with a friend is one of the easiest ways to boost your physical well-being.

Narrow Escape: Indian Pilot Averts Midair Disaster

On flydubai Flight FZ1073 from Dubai to Tel Aviv, **Captain Smit Machchhar**, an Indian pilot, averted a potential catastrophe when his co-pilot allegedly attempted to crash the Boeing 737. Mid-flight at 34,000 feet, the co-pilot attacked Machchhar with a knife, stabbing him multiple times while forcing the aircraft into a steep dive.

Despite severe bleeding and serious injuries, Machchhar fought back, transmitted emergency squawk codes, and opened the cockpit door. Crew members and passengers rushed inside to overpower and restrain the attacker. Machchhar managed to stabilize the plane and divert safely to Tabuk, Saudi Arabia, saving nearly 180 lives. He was praised by Indian Prime Minister **Narendra Modi**, Israeli Prime Minister **Benjamin Netanyahu**, and US President **Donald Trump** among a few.

STUDENTS ENJOY A LONG, LONG, LONG
WEEK OF HOLIDAYS

STUDENTS' VOICE

"SHOULD THE SCHOOL INCLUDE SCIENCE, SPORTS, AND AI CLUBS ALONG WITH THE EXISTING CLUBS?"

"THE CURRENT CLUBS ARE GOOD; THE PEN AND INK CLUB IS MY FAVOURITE. I WOULD SAY THAT SCIENCE, COMMERCE AND AI CLUBS WOULD BE VERY USEFUL FOR THE STUDIES OF THE STUDENTS. WE DO NOT HAVE THESE CLUBS YET AS OUR SCHOOL IS OLD. THE MEMBERS OF THESE CLUBS MIGHT BE CONSIDERED NERDS BECAUSE SOME PEOPLE MIGHT CONSIDER THESE CLUBS USELESS."

-MARCUS ANTHONY FERNANDEZ (6 'D').

"ON THE EXISTING CLUBS, I DON'T THINK ANY OF THEM ARE INTERESTING ENOUGH CURRENTLY. "
DO YOU THINK THE SCHOOL SHOULD INTRODUCE SCIENCE, COMMERCE AND AI CLUBS?:

"YES, I WOULD LOVE A ROBOTICS AND AI CLUB."

WHY DO YOU THINK OUR SCHOOL CURRENTLY DOESN'T HAVE THEM?

"OUR SCHOOL IS NOT GIVING ENOUGH IMPORTANCE TO OTHER CLUBS AS THEY ARE VERY "BUSY"."

DO YOU THINK STUDENTS OF THESE SCHOOLS WILL BE CALLED NERDS FOR BEING PART OF SCIENCE, COMMERCE AND AI?:

"80% CHANCE."

- MUNAZAAN ZAFEES (9 'B').

"LIKE, THEY WORK WITH COLLABORATION. EVERYBODY HELPS EACH OTHER AND MAKES OUR SCHOOL JUST LIKE A WONDERFUL GARDEN OR HEAVEN."

DO YOU THINK THE SCHOOL SHOULD INTRODUCE SCIENCE, COMMERCE AND AI CLUB?

"YES. NOW THE WORLD IS DEVELOPING, SO LIKE, IN ORDER TO KNOW ABOUT THE DEVELOPMENT, WE HAVE TO DO LIKE, SCIENCE AND ART EXHIBITION AND WE CAN USE DIFFERENT IDEAS."

- VISHNU (7 'D').

“**I THINK THE CLUBS ARE IRRELEVANT**, LIKE IT'S NOT REQUIRED. LIKE, WHY CAN'T EVERYONE JUST COME STUDY? THIS IS THE FIRST CLUB THAT IS ACTUALLY DOING SOME WORK, PEN AND INK CLUB. BECAUSE THIS IS AT LEAST GIVING STUDENTS A VOICE. BUT OTHER THAN THAT, THE OTHERS ARE [BEEP] USELESS. WE DON'T NEED A HINDI SAHITYA SABHA WHERE THE PEOPLE ARE MEMBERS AND HAVE TO ROAM AROUND WITH A BADGE EVERYDAY JUST TO ORGANISE A TWO DAY DEBATE AND POETRY COMPETITION, **WHICH THEY JUST USE AS A REASON TO BUNK CLASSES**, SO YEAH, IT DOESN'T MAKE SENSE TO ME.”

DO YOU THINK THE SCHOOL SHOULD INTRODUCE CLUBS LIKE SCIENCE COMMERCE AND AI AS THEIR EMERGING SUBJECTS OF THE FUTURE?:

“YES, I THINK NEW CLUBS WOULD BE GOOD BECAUSE NEW CLUBS WOULD BE A NEW FOUNDATION AND NEW THINGS. WHEREAS THESE OLD EPIC CLUB AND ALL, MAN, LIKE CLEANLINESS? CLEANLINESS, HUH? IT'S JUST IRRELEVANT. JUST **HAVE A PERIOD WHERE WE CAN COME TO THE GROUND AND PICK UP TRASH. I THINK THAT'S CALLED SUPW.** YEAH, "SOME USEFUL PERIOD WASTED", RIGHT.”

-ISHAAN BOHRA (10 ‘A’)

“YEAH, I THINK THE CURRENT CLUBS **ARE VERY UNDERWHELMING**. MOST OF THE CLUBS ARE JUST A LABEL AND THEY DON'T REALLY SEEM DO ANYTHING ACTIVELY.”

DO YOU THINK THE SCHOOL SHOULD INTRODUCE SCIENCE, COMMERCE AND AI CLUBS?:

“**I DON'T KNOW WHAT THEY WILL DO IN A COMMERCE CLUB OR IN AN AI CLUB.**”

WHY DO YOU THINK THEY DON'T ALREADY HAVE THEM?:

“BECAUSE THE SCHOOL MAY NOT HAVE THE FACILITIES FOR THEM.”

DO YOU THINK IF THE SCHOOL CREATED SCIENCE, COMMERCE OR AI CLUB, THE STUDENTS WHO WILL BE PART OF THESE CLUBS WILL BE LABELED AS NERDS?:

“YES FOR SURE, BECAUSE SCIENCE, COMMERCE AND AI ARE PRETTY NERDY THINGS TO DO.”

-ANONYMOUS(12 SCIENCE)

“I WISH THAT THERE ARE **CLUBS FOR MORE NATIVE SPORTS, LIKE KABADI AND KHO-KHO**. I PREFER A CLUB THAT IS **FULLY SPORTS ORIENTED**, THAT ENCOURAGES STUDENTS OF OUR SCHOOL TO PARTICIPATE IN MANY SPORTS, BOTH INDOOR AND OUTDOOR. THIS WOULD HELP US REACH DISTRICT LEVEL SPORTS SOON.”

-DHRUV NAMBIAR (CLASS 10 ‘D’)

“I THINK THE CLUBS ARE NOT DOING THINGS OFTEN ENOUGH FOR THE SCHOOL. I THINK THE **TEACHERS SHOULD ACTUALLY DIRECTLY ADMINISTRATE THE CLUBS** SO THAT IT ACTUALLY HAS SOME USE. YEAH, I FEEL LIKE **CLUBS ARE NOT ENTIRELY USELESS**. JUST THAT THERE IS NO ACTIVITIES DONE ALL AROUND THE SCHOOL. **PEOPLE JOIN CLUBS JUST FOR THE SAKE OF GETTING A COOL LOOKING BADGE**, NOT FOR THE SAKE OF ACTUALLY DOING SOMETHING.”

WHAT DO YOU THINK ABOUT THE SCHOOL INTRODUCING SCIENCE, COMMERCE AND AI CLUBS?:

“I THINK IT'S COOL BECAUSE OUR SCHOOL HAS MANY DIFFERENT STREAMS. SO THE COMMERCE PEOPLE AND THE HUMANITIES PEOPLE, THEY ONLY GET LIKE A FEW CLUBS IN COMMERCE BECAUSE PEOPLE WHO ARE INTERESTED SHOULD LIKE MORE CLUBS SHOULD BE BROUGHT UP I THINK. SINCE THE CURRENT CLUBS ARE NOT DOING ANYTHING **IT'S JUST POINTLESS**. **INTRODUCING NEW CLUBS** WILL BE LIKE AN OPTION FOR THE OTHER TEAMS SO THEY CAN TRY OUT THE OTHER SUBJECTS. THEY CAN GET TO KNOW EXTRA ABOUT THE OTHER SUBJECTS. THEY CAN ADD THAT TO THEIR RESUME SAYING THEY'VE WORKED ON AN EXTRA SUBJECT WHICH CAN BE USED FOR THEIR COLLEGE APPLICATION. LIKE, IF THERE'S A SCIENCE CLUB, IT SHOULD NOT ONLY BE LIMITED TO SCIENCE STUDENTS. MANY PEOPLE WHO ARE INTERESTED CAN JOIN.”

WHY DO YOU THINK THEY CURRENTLY DON'T EXIST?:

“I FEEL LIKE THEY DON'T EXIST BECAUSE **PEOPLE DON'T TAKE INITIATIVE**. I FEEL LIKE BECAUSE MANY PEOPLE WON'T JOIN BECAUSE OTHER CLUBS DON'T DO ANYTHING SO THEY WOULD THINK ITS POINTLESS TO JOIN. I THINK MAYBE IT'S BECAUSE THE TEACHERS DON'T WANT TO GIVE ANY IMPORTANCE TO THE OTHER CLUBS BECAUSE IT ALREADY EXISTS AS SUBJECTS AND THEY ALREADY STRUGGLE LEARNING THAT. SO WITH THE CLUBS DOING EXTRA WORK FOR OTHER SUBJECTS **THEY WILL JUST THINK IT'S EXTRA WORK**.”

DO YOU THINK IF THE SCHOOL INTRODUCES SCIENCE, COMMERCE AND AI CLUBS, THE PEOPLE PART OF THOSE CLUBS WILL BE CALLED NERDS?:

“MAYBE, MAYBE. I DON'T THINK SO. THE PEOPLE WHO THINK THEY ARE UNCOOL AND THEY DON'T LIKE STUDIES, THEY MIGHT CALL THE MEMBERS NERDS BUT THE CLUB IS USEFUL FOR YOU. YOU WOULD KNOW YOUR PERSPECTIVE, **THEY WILL SEE YOUR PERSPECTIVE DIFFERENTLY AND MIGHT CALL YOU A NERD**.”

-MANYA TARUN (10 'A'), AISHANI BASU (10 'A'), & JOSHICA JIA (10 'C').

TEACHER'S THOUGHTS

"YOU KNOW, I REALLY THINK HAVING A WIDER VARIETY OF CLUBS WOULD BE QUITE BENEFICIAL FOR EVERYONE. WHEN STUDENTS ACROSS DIFFERENT GROUPS ENGAGE IN HEALTHY COMPETITION, IT **OFTEN SERVES AS A NATURAL CATALYST** FOR THEM TO GENERATE AND DEVELOP SOME GENUINELY INNOVATIVE IDEAS."

"THE STUDENTS HAVE A LOW CHANCE OF GETTING UNDER PRESSURE DUE TO THIS AS **ONLY INTERESTED STUDENTS WILL BE A PART OF A CLUB** - SO NO OVERWHELMING OF ACADEMICS."

-MRS. STEPHANIE MARY VIERRA (CLASS TEACHER, 10 'C')

"YOU MOVE WITH THE TIMES AND IT'S ALWAYS GOOD AS THERE'S SO MANY STUDENTS WITH **DIFFERENT MINDSETS AND ABILITIES**."

WHY DO YOU THINK THE SCHOOL CURRENTLY DOESN'T HAVE SCIENCE, COMMERCE AND A.I. CLUBS?:

"WE ALREADY HAVE QUITE A FEW CLUBS. PROBABLY NOBODY THOUGHT OF SCIENCE CLUBS EARLIER. YOU CAN BE THE FIRST GROUP TO START IT WITH THE BACKING OF THE SCHOOL AUTHORITIES. WHENEVER IT'S RIGHT."

WHAT DO YOU THINK THE EFFECT OF THESE NEW CLUBS?:

"IT ENCOURAGES INDIVIDUALS TO THINK, COME FORWARD WITH IDEAS. WE COME TO KNOW ABOUT HIDDEN TALENTS OF CERTAIN STUDENTS. EVERYBODY IS NOT ACADEMICALLY ORIENTED THERE ARE **OTHER THINGS ALSO THAT THEY ARE GOOD AT**."

IF MANY CLUBS WERE CREATED, DO YOU THINK THIS WOULD PUT PRESSURE ON THE STUDENTS THAT SOMETIMES THEY HAVE TO STAY AFTER SCHOOL TO FINISH CLUB WORK?:

"I DON'T THINK SO. **IF SOMEONE WOULD JOIN IT, THEY WILL SURELY BE ABLE TO COPE WITH IT**. IF SOMEONE IS NOT INTERESTED OR IT'S NOT UP TO THEIR GENRE, THEY'LL NOT JOIN. SOMEBODY WHO HAS A LIKING FOR IT WILL ONLY GO FOR IT."

WHAT DO YOU THINK, ABOUT THE EFFECT OF THESE CLUBS ON THEIR ACADEMICS?:

"IT DEPENDS UPON WHO'S PARTICIPATING. SOMEONE WHO LIKES IT, **IT'S A LET-OUT, IT'S A STRESS-BUSTER, IT ENCOURAGES YOU TO THINK OUT OF THE BOX**, WHOEVER HAS JOINED A CLUB WANTS TO BE A PART OF IT ON THEIR OWN FREE WILL. HE'S NOT PUSHED INTO IT."

-MRS. ANUPAMA CHADHA (CLASS TEACHER, 10 'A')

Suddenly, he hears a knock at his window.

Confused, he approaches it and finds an elderly man standing outside. The old man asks him for directions to the nearest hospital, explaining that he urgently needs to get there. The young man gives him the directions, and the old man disappears from sight.

The young man returns to his tea, but moments later, a sudden realisation strikes him. His face turns pale, his hands begin to tremble, and he collapses to the floor.
